Terms:

- ✓ The client must **send a text message confirming the drop** within two hours before the time of the scheduled drop. This should include confirmation of the time and location. The helicopter will not depart until this confirmation is received on the day of the flight. It should be sent via text message to 614-407-4370.
- ✓ The **altitude flown** will depend on the terrain and congestion of the drop location. If you would like to maximize visibility of the powder and the helicopter, please choose an open location, such as a park. You can request a new quote for a new location if applicable.
- ✓ The quoted price is a **flat rate**. It includes the helicopter, pilot, dropper, fuel, oil, and the gender reveal cannon. It does not include landing at the reveal location unless specified otherwise. The price will not change based on more or less flight time than predicted (wind, traffic, etc).

- ✓ Helicopter **reservations will not be finalized until** full deposit is received. Please see the attached payment form for instructions.
- ✓ A full refund will be issued in the event of **weather cancellations**. Any other changes in date, time, or location must be given at least one week before the scheduled drop. Changes in these details may include an adjustment in price. Violations of our cancelation policy will result in forfeiting the deposit.
- ✓ This quote is only valid for the specified date, time, and location above, unless specified otherwise.
- ✓ Pilot In Command LLC reserves the right to cancel the gender reveal for any reason. This will be avoided to the best of our ability. Examples include inclement weather or other safety considerations. In the event of cancelation by Pilot In Command LLC, a full refund will be issued immediately.
- ✓ The helicopter type used will be a Robinson R44, flown by one of our professional commercial pilots. The type will not be changed without approval by the client.

Additional Comments:

The quoted price is based on distance and estimated flight time. Please do not hesitate to contact us with any questions. Good communication is especially important with helicopter operations. The backup direct cell can be used for any urgent items. Thank you for choosing Pilot In Command LLC dba Columbus Helicopters.
